Defendants.)
)

The court may order jurisdictional discovery “where pertinent facts bearing on the question of jurisdiction are controverted or where a more satisfactory showing of the facts is necessary.” *Boschetto v. Hansing*, 539 F.3d 1011, 1020 (9th Cir. 2008); *Doe v.*

1 *Unocal Corp.*, 248 F.3d 915, 922 (9th Cir. 2001). Upon review of
2 the pleadings and evidence attached thereto, the court finds that
3 there are several pertinent controverted facts bearing on the
4 question of jurisdiction. Accordingly, the parties shall have
5 until December 5, 2011, in which to engage in limited discovery
6 directed toward (1) the validity of the forum selection clauses,
7 and (2) the facts supporting plaintiff's claim of specific personal
8 jurisdiction. The defendant's motion to dismiss (#15) is therefore
9 denied without prejudice, to renew within fifteen days of the close
10 of discovery as set forth above.

11 IT IS SO ORDERED.

12 DATED: This 5th day of October, 2011.
